COLLEGE OF ENGINEERING, BANGALORE.

Dated 28th March 1929.

The following articles in the College of Engineering, Bangalore, will be sold by public auction on Wednesday 26th June 1929. The auction sale will commence at 2 P.M., and will be conducted in the College Workshop premises.

The terms and conditions of auction sale will be as follows :—

(1) The articles will be knocked down to the highest bidder and in the event of any dispute arising between two or more bidders, at the same price, the articles shall be put up again and resold.

(2) The sale amount should be paid up immediately. In case could not be paid immediately, a deposit of 25 per cent of the amount should be recovered from the successful bidder immediately the articles are knocked down in his favour and such deposits shall be treated as forfeited to Government in case of any default to pay the full purchase money within 24 hours of the sale.

(3) Cash should be paid in full for articles purchased by bidders before delivery but the articles will not be allowed to be removed from the place of auction until after the close of the sale.

(4) In case of default of payment of the whole or any portion of the purchase amount by the bidder the articles will be resold and the bidder will be liable to any loss incurred thereby. The bidder will also be liable to make good to Government any loss incurred thereby without having the right to participate in any excess realised.

(5) All articles purchased will be at the risk of the purchaser thereof from the time of sale.

(6) All articles should be accepted with faults and errors of all description as sold.

(7) The successful bidder must remove articles within 24 hours after his bid has been accepted.

(8) The officer conducting the sale may not accept the highest bid if the bid offered is not a reasonable value of the articles.
